THE COMMUNICATIONS OFFICE
FOR IMMEDIATE RELEASE

January 25, 2023

We were notified today that an unknown caller is contacting our citizens advising that there is a problem with their Social Security information, involving the last 4 digits of their Social Security #. The citizens are being advised that they will be taken before the Federal Magistrate if a fee is not paid. We want citizens to know that the scammer is somehow able to provide other personal information; such as work information, it is not the Sheriff's Office calling. **The Sheriff's office would NOT call and ask citizens to pay a fee of any kind. If you receive a call from these scammers please get as much of the callers information as possible. Citizens may also call our office to advise us of any interaction with the scammer, we will be glad to meet them at the Richmond City Justice Center on their behalf.**
