

CITY OF RICHMOND

DEPARTMENT OF
HOUSING AND
COMMUNITY DEVELOPMENT

August 21, 2023

“Due to the overwhelming interest in the program, HCD is issuing a moratorium on new applications for the City’s ARPA-Healthy Homes Program. Applications received before Monday, August 21, 2023, are pending review and applicants will receive a letter stating whether or not they were deemed eligible under the program guidelines in approximately 30-45 days. Assistance to eligible applicants will be provided as funds allow. HCD will notify partner agencies and community members if additional opportunities become available.”

Sincerely,
Housing and Community Development
