Randolph and Mulberry District Parking Permits Available for Purchase *~Current permits expire July 31~*

RICHMOND, Va. – New parking decals for residents of the Randolph and Mulberry Restricted Parking Districts are now on sale. Residents can get more information, verify residency in their Parking Districts and download an application for mailing on the City's website: www.rva.gov/public-works/parking-enterprise. Both mail-in and in-person renewal options are available for qualifying residents. The current parking permit expires July 31, 2022.

Residents must display the permit on their cars to park for more than the designed time restriction. A resident is either the residing owner of record or renter of property located within the Restricted Parking District. A City of Richmond Residential Parking Permit Application must be completed and approved prior to decal issuance. The Department of Public Works verifies residency for both homeowners residing at the property and lease agreements for renters.

A resident of the district is defined as an owner of record or renter of property in the district and members of their immediate family who reside with the owner or renter at the address in the District:

- (1) Who are licensed drivers, and
- (2) Whose domicile is the address for which they are seeking to obtain the parking permit

Decals and applications are also available at City Hall, Room 102, 900 East Broad Street, Richmond, Virginia. The office hours are 8 a.m. to 5 p.m. Please call 804-646-5700 if you have any questions.
