LETTER OF TRANSMITTAL

Tuesday, August 15, 2023

The Administration is pleased to present the July Monthly Financial Synopses (MFS) pursuant to City Ordinances 2015-213-207 and 2018-100.

This MFS is intended to provide informative and relevant financial data to City Council. The report includes highlights of the City's financial condition as of July 31, 2023. This financial information includes comparative General Fund revenue and expenditures to date for the period ending July 31, 2023 and 2022 as comparison to the full year budget.

It must be noted that the numbers contained in this MFS are unaudited. The MFS will be impacted by timing differences in receipts and payments from the prior fiscal year (PY). As a reminder, the City has a modified 45-day accrual period.

Figure 1 and Table 1 indicate that as of July 31, 2023, General Fund revenues totaled \$44.1 million, or 4.4%, of the budgeted annual revenue.

Figure 1 and Table 2 indicate that as of July 31, 2023, General Fund expenditures totaled \$18.4 million, which is 2.0% of the budgeted expenditures.

Table 3 and Figure 2 provide summary encumbrances by area totaling \$12.2 million.

Figure 3 shows a graphical depiction of the City-wide operating cash and investment balances on a month-to-month basis for the fiscal years 2019 through the reporting period.

Figure 4 and Table 5 display the City's outstanding long term debt as of June 30 for the prior fiscal year (2023) as well as the debt related activity in fiscal year 2024 through the period ending July 31, 2023. Outstanding General Fund supported debt, including debt for school capital projects, decreased to \$683.1 million. Additionally, City-wide debt decreased to \$1.535 billion during the same period.

Figure 5 and Table 6 provide a snap-shot of accounts payable aging as of July 31, 2023.

Figure 6 and Table 7 provide the breakdown of delinquent tax figures.

Figures 7 through 9 and Table 8 highlight various economic indicators for the City of Richmond including unemployment statistics, new business licenses, and information on real estate development and transactions. Foreclosure data is no longer available.

We would like to thank all City agencies, departments, and staff for their assistance and cooperation in providing timely and accurate information in support of the preparation of these synopses.

Sincerely,

Sheila White, Director of Finance

Sheila White

ECONOMIC INDICATORS

FIGURE 7 - UNEMPLOYMENT

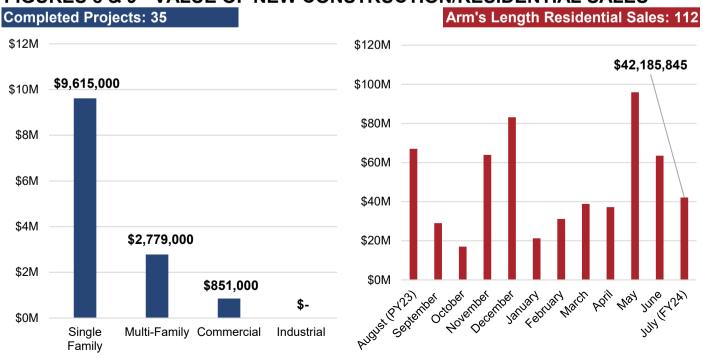

- The local unemployment rate decreased to 3.0% in April.
- The Federal Reserve cites a target of 4.5% median unemployment as part of their dual mandate for price stability and maximum sustainable employment. The current rate is below the target.

Note: The unemployment rate only counts those who: 1) Do not have a job; 2) have looked for work in the prior 4 weeks and are currently available for work. Individuals who have not submitted resumes, contacted potential employers, placed job advertisements, etc. in the last 4 weeks are not included as unemployed. Those individuals are instead excluded from the labor force. Discrepancies between the unemployment statistics presented in this monthly synopses versus historical reports can be attested to the recent standardization of reporting to the Virginia Unemployment Local Area Unemployment Statistics (LAUS) database.
