PARKLET APPLICATION - II: Check List

Applications must include the following:

- A site plan diagram (no larger than 11' x 17'), to scale, showing the location and dimensions of the parklet and other objects in the immediate area (same block). The map shall include (but not be limited to):
 - a.** The street number addresses of nearby buildings;
 - b.** The direction of traffic;
 - c.** The presence and location of: vacant lots or buildings, driveways, fire hydrants, manholes, stormwater inlets, bike parking, utilities (including, but not limited to tree grates, vault, covers, manholes, junction boxes, signs, lights, and poles), street furniture (including but not limited to bus shelters, honor boxes, and benches), cafe seating;
 - d.** Existing parking regulations (including, but not limited to; handicap parking, loading zones and metered parking);
 - e.** The length of the applicant's street frontage;
 - f.** Elevation Plans and a rendering.
- At least two photographs from different angles along the sidewalk/street where the pedestrian enhancement is to be installed. Applicants are encouraged to include photographs of potential location-related conflicts (proximity to other street utilities, street furniture, etc.) noted in the detailed site plan diagram.
- Project narrative: this is a short project description (about 800 words) explaining your vision for the parklets. Applicants are encouraged to emphasize:
 - a.** Vision for the parklet;
 - b.** How the immediate neighborhood will benefit from the parklet;
 - c.** Ideas about how the community can participate in the creation and / or stewardship of the parklet;
 - d.** Ideas for activation and programming of the parklet;
 - e.** If known, include information about who will design the parklet.

In addition to you project narrative; you may also submit design drawings, sketches, or other documents. These optional supplemental materials may help clarify your parklet vision to the City.

- Letter(s) of support from property owners abutting the parklet.
