# FY18 Audit Results

## Implemented new Audit Effectiveness Questionnaire.

1. The various phases of the audit and scope were clearly explained prior to starting the audit work.
2. The audit staff exhibited sufficient technical skills and obtained knowledge of the work and systems of areas being audited.
3. The audit staff shared the audit findings to department management for discussion and revision throughout the audit process.
4. The audit report was accurate and concisely written but had the appropriate level of detail to support the audit findings.
5. The audit was conducted in a professional manner and staff were fair and reasonable while conducting the audit.
