Office: 804.646.4189

This cycle, Sector 411 had a significant increase in aggravated assaults, from 3 to 7. Thankfully, we did not have any homicides this cycle. This uptick in crime needs to be put in perspective, however. Last cycle, we had a record low major crime statistic of 33. This cycle did have an increase in major crimes to 43, however, year to date we were still below our average of 47 major crimes.

We had 5 people shot in Sector 411 over the past 28 day cycle. That is 5 too many! If you have any information on the location of illegal firearms, please call 911 or you can always call Crime Stoppers at 804-780-1000 and remain anonymous.
