### More Parking Pay Stations being Installed throughout Central Business District

*~New pay stations will increase parking turnover~*

RICHMOND, Va. – The city is in the process of installing more parking pay stations throughout the Central Business District (CBD), which includes Broad Street in the downtown area.

The additional pay stations are being installed to boost turnover due to the increased demand for parking as a result of the downtown renaissance and revitalization.

Richmond began installing pay stations in 2012 in the CBD and will have 261 operating when the current installations are complete.

The pay stations offer a variety of options for users, including features such as Pay-By-Plate and the Passport Parking App, which allows payment through a cellphone using a mobile application.

*The City of Richmond Department of Public Works (DPW) is one of only 146 accredited public works agencies in the United States. DPW's portfolio comprises a wide array of services to include leaf collection; street, sidewalk and alley maintenance; trash collection; recycling; urban forestry; signs; signals and pavement markings; grass cutting; graffiti removal; and parking. In addition, DPW issues permits for working in the city's right-of-way, manages Richmond's Bike Share program and maintains the fleet of city vehicles. DPW's operating budget comes from the general fund of the City of Richmond. For more information about DPW services, [click here](#) or call 3-1-1.*
