March 2020 Newsletter

Hello Everyone! I hope you're all doing okay, staying healthy and enjoying time with the family. Its been tough, but it looks like that with everyone's cooperation we have started to turn the corner. Please continue to follow social distancing protocols and check in on your neighbors, especially the elderly that live in your community. We want to make sure they are being taken care of!

NEXTDOOR.COM

The Sector 312 community has been fortunate this year to have had a 38% decrease in violent crime. We are still struggling with property crimes, but we've seen a 25% decrease in motor vehicle thefts, 38% decrease in burglaries and an overall 6% decrease in major crimes. I'm proud of the low violent crime, but I need to work harder at reducing the property crimes and that can only happen with your help! Lets look out for each other, help your neighbor out and **if you see something, say something!** Make sure you always lock your vehicles and never leave valuables in your car! Please put information about our community on Nextdoor.com. Also, Third Precinct is now on Instagram. You can follow us at @rpdthirdprecinct. Please send us pictures, especially pictures of you and your neighbors enjoying our beautiful city. Thank you!
