

2021 RICHMOND BOARD OF EQUALIZATION APPLICATION

Note: Applications must be filed no later than November 30, 2020

GENERAL INFORMATION

The Board of Equalization (BOE) is a panel of three qualified citizens appointed by the Circuit Court for the purpose of hearing real estate assessment appeals on assessments made during the current tax year.

The current assessment is presumed by law to be correct unless it is clearly shown to be in error. Applicable law places the burden of proof on the taxpayer to show that the property in question is assessed inequitably with similar properties.

All decisions of the BOE are binding on the property owner and the City for the current year unless the case is continued before the Circuit Court by either party. The decision of the BOE will result in a decreased assessment; a no change in assessment; or an increased assessment.

Appointment times are limited, it is important that appellant presentations be concise and relevant to the issue.
