Time approaching to Renew Parking Permits in Carver District

~Current permits expire December 31~

RICHMOND, Va. – New parking decals for residents of the Carver Restricted Parking District go on sale Monday, November 30. They cost \$25 each and are limited to three per house or building address. Both mail-in and in-person renewal options are available for qualifying residents. The current Carver parking permit expires December 31, 2020.

To park longer than an hour between 7 a.m. and midnight, Monday through Saturday, residents must display the Carver permit on their cars.

A resident is either the owner of record or renter of property located within the Restricted Parking district. A City of Richmond Residential Parking Permit Application must be completed and approved prior to decal issuance. To enable the Department of Public Works to verify residency, the following information and photo identification must be provided:

Residential property owners must provide either a copy of their real estate bill or other information that verifies ownership of the property.

Renters must provide a valid written lease for the property in the Carver parking district, and have the appropriate approval of the property owner on the application they present.

A resident of the district is defined as an owner of record or renter of property in the district and members of their immediate family who reside with the owner or renter at the address in the District:

- (1) Who are licensed drivers;
- and-
- (2) Whose domicile is the address for which they are seeking to obtain the parking permit.

Annual Visitor Passes also are available and limited to two per house or building address at a cost of \$35 each. Annual Visitors Passes must be purchased at the same time the Carver permit is purchased and **are restricted to residential home owners.**

Property owners and renters are required to comply with the residency requirements and the motor vehicle registration requirements of the Virginia Department of Motor Vehicles.

Residents can get more information, verify residency in the Carver parking district and download an application for mailing in on the City's website: <http://www.richmondgov.com/Parking/CarverDistrict.aspx>
